

Attorney's Docket No.: 06816/051002

REMARKS

Reconsideration and allowance of the present application are respectfully requested.

Claims 1-24 and 26-33 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-30 over the parent case U.S. Patent No. 6,166,768 alone or in combination with U.S. Patent No. 6,243,131 to Martin. A terminal disclaimer has been filed concurrently with this response to obviate the rejections. Therefore, each rejection should be withdrawn and the all claims in this patent application are patentable. It is respectfully submitted that the application is now in full condition for allowance.

Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: November 3, 2004
